B.S Information Technology 2010

Languages: Fluent in English and French

ABOUT ME

I am a life-long learner. A software developer with over 6 years of experience. I took a break from my career to focus on my family. To keep my skills up to date, I have completed a Full-stack JavaScript coding bootcamp and I am currently taking software development classes at Northwood Technical College. I am a passionate developer, a problem solver with an eye for design.

EXPERIENCE

Full-stack Developer

MARS Returnship, WI | Oct 2021 – Present

- Wrote maintainable and reusable code using the latest ES6 JavaScript and React features.
